Message: Governor Musgrove,

I am a youth leader for young teenagers at our local YMCA. Our goal this school year is to collect business cards from individuals across the United States and around the world. We have received business cards from 30 of the United States Governors. They all have signed and sent them to us. We would love to include your business card in our collection. All of the cards will be put on display in our town. We have received over 6000 cards from the US and around the world. If you have any other business cards from your city/state could you also send them along. We would be honored to have them posted on our Business Card Wall at the YMCA.

Thank You, Richard P. Mothorpe
